

# Job Description

## LITIGATOR

---

Lexpertise, a leading law firm, is seeking a highly motivated and talented Litigator to join our team. The Litigator will work with our experienced attorneys to provide legal representation to clients in a variety of practice areas, including commercial law, intellectual property law, technology law, energy law, dispute resolution and arbitration, ESG matters, and data privacy.

---

### Responsibilities

- Conduct legal research and analysis on complex legal issues
- Draft and file legal pleadings, motions, and other legal documents
- Represent clients in court proceedings, mediations, and arbitrations
- Work with clients to understand their legal needs and develop effective and practical solutions
- Collaborate with senior attorneys on complex legal matters and take on increasing responsibility for client relationships over time
- Keep up-to-date with developments in the law and industry trends.

### Qualifications

- Bachelor or master's degree from an accredited law school
- Active bar membership in good standing
- Strong analytical, research, and writing skills
- Demonstrated litigation experience and a track record of success in court proceedings
- Excellent interpersonal and communication skills
- Ability to work independently and as part of a team
- Commitment to delivering high-quality legal services to clients.
